A TOUCH OF TRIVIA

Some triva from the 1500'S

Most people married in June because they took their yearly bath in May, and they still smelled pretty reasonable by June.

However, since they were starting to smell, brides carried a bouquet of flowers to hide the body odour.

Hence the custom today of carrying a bouquet when getting married.

STEMMING BUCKET

Water Carts

777F water cart module

Hydraulic sprays heads.

Hydraulic operated canon.

canopy over drivers cab.

State of the art technology.
