Did You Know ...

If you yelled for 8 years, 7 months and 6 days you would have produced enough sound energy to heat one cup of coffee.

The human heart creates enough pressure when it pumps out to the body to squirt blood 30 feet

The flea can jump 350 times its body length. It's like a human jumping the length of a football field.

Right-handed people live, on average, nine years longer than left-handed people.

(If you're ambidextrous, do you split the difference?)
