#### General Information:

After some slight delays, our newly constructed administration building is nearing completion and we expect to move in mid October.

Early November, G & G will be having an open day to display the new "body" in town *The New Minetec Tray* and also on display will be the new *Omega bucket*.

*Watch this space for further information.*

Komatsu HD785 Service Module

#### "OMEGA" GEARED FOR THE FUTURE

#### **Funny sayings**

A consultant is someone who takes a subject you understand and makes it sound confusing.

If you can't see the bright side of life , polish the dull side.

You know the speed of light, so what's the speed of dark?

A day without sunshine is like, well Night.

Love your enemies , it will make them crazy.
